WHOLE LIFE WORSHIP

Worshipping with our whole lives is a privilege and an important part of our discipleship. As Paul writes to a group of disciples:

Since you excel in so many ways—in your faith, your gifted speakers, your knowledge, your enthusiasm, and your love from us—I want you to excel also in this gracious act of giving. I am not commanding you to do this. But I am testing how genuine your love is by comparing it with the eagerness of the other churches.
(2 Corinthians 8)
